

# Nunes instruments

[www.instrumentsmart.com](http://www.instrumentsmart.com)

Nunes is a Leading Exporter, Importer, Distributor, Manufacturer of High Precision, Measuring Instruments for Laboratory & Industrial Research With Offices at Delhi, Mumbai, Chennai, Bangalore Offers Service, Repairs, Rental.

# Profile

Established in the year **1975**, we, "**Nunes Instruments**", are engaged in Exporting, Importing, Distributing of a wide array of Agricultural and Electrical Measuring Instrument. The products offered by us are highly appreciated in the market as these exhibit high performance, accurate results and have a compact design. We are engaged in providing Instruments Repairing Services, Rental Services, Buy Back Exchange Offers & Calibration Services for our product range. Further, these products cater to the varied requirements of Paper Industry, pharmaceutical industry, packaging industry, rubber industry, material testing lab scientific instrument, automobile industry, oil & petroleum testing equipment, instrument for research & quality control in chemical, engineering, electronics, cement, fertilizers, ordinance factories & petrochemicals industries all over the world.

Having strong financial & operational capabilities, we are able to set milestones in the industries. Our professionals are highly educated and experienced in industry and strive hard to meet the specific requirements of the clients. We have a team of expert procuring agents, which helps us obtain the most optimum products from well known vendors. To make the clients fully satisfied, we also provide them value added after sales service. Some of our esteemed clients in the industry are Steel Authority of India Limited, Roots Industries Limited (Coimbatore), The Sree Meenakshi Mills Limited, The Lakshmi Mill Company Limited (Coimbatore), Kamala Sugar Mills Limited and others.

Due to the efforts of our mentor, '**Mr. S. F. Nunes**', we are successfully progress in the industry. Under his guidance and leadership, we are able to appropriately meet the specific requirements of the clients. It is his 40 years of experience that has been crucial for our success in the competitive market.

## INDUSTRIAL INSTRUMENTS

We are offering patrons a wide variety of **Industrial Instruments** that are widely used for various industrial applications. These instruments are manufactured by our vendors in strict adherence with industry laid norms and standards.

Lux Meter

Alcohol Tester

Digital Thickness Gauge

Universal Calibrators

## SURVEY INSTRUMENTS

We are reckoned for distributing optimum quality **Survey Instruments** that are widely used for survey related applications. We procure these instruments from reliable and trusted vendors who manufacture these instruments in strict compliance with international norms and standards.

Digital Theodolite

South Automatic Level

Total Station Auto Level  
Survey Instruments

Electromagnetic Field  
Tester with Separate  
Probe

## WEATHER MEASURING INSTRUMENTS

We are prominent distributor and supplier of **Weather Measuring Instruments** that are widely used for measuring various data about weather. These instruments are procured from trusted suppliers who manufacture these instruments keeping optimum satisfaction of customer's in mind.

Digital Solar Meter

Automatic Wireless Weather Station

Wireless Weather Station

Digital Altimeter

# PLATE THICKNESS GAUGES

Non Contact Infrared Thermometer

Fiber Optic Power Meter

Portable Dissolved Oxygen Meter

Perimeter

# HIGH PRECISION INSTRUMENT & EQUIPMENT SERVICES & REPAIR PROVIDERS IN INDIA

**We believe in Building**

**Relationship**

**THROUGH SERVICE-REPAIRS CALIBRATION**

Marketing, Rental, Calibration, Servicing, Installation & Repairs of Analytical Medical, Scientific & Laboratory Industrial Measuring & Testing Instruments & Equipments.

Instruments and Equipments WE Service Repairs Rental

Our Instruments Makes and Models

Imported Makes Instruments We Service

Imported Makes of Instruments WE Service

# REPELLENTS

Bird Rodent Rats and Pigeons Repellents

Ultrasonic Bats Repellent

Laser Bird Repellent

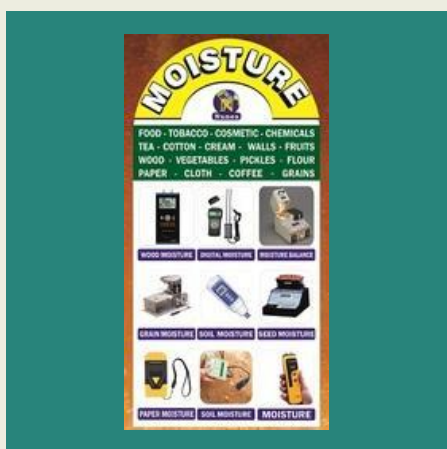

Ultrasonic Rat Repellent for Office

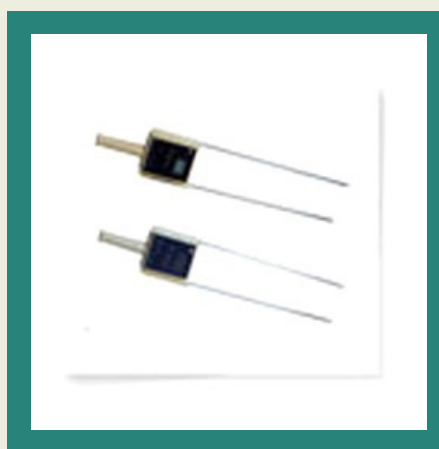

## MOISTURE METERS

We have established ourselves as leading organization which is engaged in providing a wide range of **Moisture Meters**. Offered product is highly appreciated by our esteemed clients owing to its qualitative performance. We sourced these products from the leading vendors of the market.

Moisture Analysis Balance

Cotton Moisture Meter

Digital Seed Moisture Meter

Grain Moisture Meter

## PLANT TESTING INSTRUMENT

Prominent & Leading Importer and Distributor from Coimbatore, we offer **Plant Testing Instrument** such as Chlorophyll Meter, Leaf Blade Thickness Gauge, Portable Living Leaf Area Meter and Portable Plant Nutrition Analyzer. We are the Leader in Service, Rental, Repair, Calibration and Buy Back Exchange Offers of all Instruments.

Chlorophyll Meter

Leaf Blade Thickness Gauge

Portable Living Leaf Area Meter

Portable Plant Nutrition Analyzer

## AGRICULTURAL INSTRUMENTS

We are a renowned organization engaged in distributing a wide array of **Agricultural Instruments** that are widely used in agriculture industries. These instruments are manufactured using quality-approved raw material procured from reliable and trusted suppliers at our vendor's end.

Weather Stations

Portable Leaf Area Meter

Nutrient Analysis  
Photometer

Sunshine Pyrometer

## LABORATORY INSTRUMENTS

We are bringing forth a wide assortment of **Laboratory Instruments** that are used for regulating pressure, level and flow in gas & liquid measurements. Our vendors are renowned manufacturers of these instruments who manufacture these instruments in strict adherence with set industrial norms and standards.

Digital Viscometer

Dissolved Oxygen  
Photometer

Weather Forecast Clock

Weather Forecast Clock

## SCIENTIFIC INSTRUMENTS

We are presenting a premium quality range of **Scientific Instruments** that are widely used in research institutes and engineering colleges. These instruments presents a combination of advanced technology and innovative approaches.

Temperature and Humidity Data Logger

Analyzers

Thermal Imager

Fiber Optical Light Source

## EDUCATIONAL INSTRUMENTS

We are stalwarts in distributing and supplying **Educational Instruments** that are widely used around the globe. These instruments are manufactured by a team of nimble-fingered professionals making proper use of advance technology, modern tools and quality-approved basic raw material at our vendor's end.

Journal Bearing Apparatus

Static & Dynamics  
Balancing Apparatus

Stefan Boltzmann's  
Apparatus

Devil Attrition Testing  
Machine

## BAROMETERS

These barometers can be found in the section to measure absolute pressure, differential pressure in respect to the atmosphere and negative pressure. There are barometers such as the DB2 digital barometers that have an internal memory for up to 750 readings and an analogue output of 0 to 1 volts.

Bitumen Extractor

Cable Length Meter

Dial Type Thermo-Hygrometer

Infrared Thermometer

## CABLE FAULT TRACER DETECTORS

With certain models of **cable detectors** you can locate open power cables, either live or dead (without current), with voltages up to 300V. Cable detectors can locate cables, circuits, short circuits and ground points.

Cable Tracer

Phase Sequence Indicator

Hygro-Thermograph  
Sekonic

Digital Electronic Counter

## COLOUR & LUMINANCE ANALYSERS

Here you will find colour analysers for both **colour and luminance** for measuring surface colours of products. Our professional colour analysers include the RGB series. With these colour analysers you can read the difference in colour in  $L^*a^*b^*$ ,  $L^*C^*H^*$  and  $\Delta E^*ab$  according to your requirements.

UV Radiation Sensors

Quantum Sensors

Dynagage Sap Flow Sensor

Watermark Sensor

## DENSIMETERS REFRACTOMETERS HYDROMETERS

**Densimeters** determine the density in liquids and solids using the displacement method. The densimeters are very useful for testing the density of plastic, rubber, metals, ceramics, glass and other non-metallic materials. With these densimeters the method used for determining density is highly accurate and produces readings quickly.

Shore Hardness Tester

Rubber Hardness Tester

Digital Shore Durometer

## PH METERS

To suit the variegated requirements of our customers, we are supplying a qualitative range of **pH Meters**. Offered products are exclusively sourced from most trustworthy and reliable vendors of market.

Digital pH Meter

Digital pH Meter

Dissolved Oxygen Meter  
Plus pH Meter 2 in 1

## TESTING POCKET CHECKERS

With the help of our distinguished professionals, we have been able to bring forth a qualitative range of **Testing Pocket Checkers**. Offered range is procured from some highly reliable vendors of the market who use finest quality material and components to fabricate these checkers.

Phosphate Testing Pocket Checker

Chlorine Testing Pocket Checker

Pocket Checker for Iron Testing

Iodine Testing Pocket Checker

## ALCOHOL BREATH TESTER

Importer & Distributor of a wide range of products which include **Alcohol Breath Tester** such as Alcohol Breath Analyzer with Printer, Breath Alcohol Tester, Alcohol Breath Tester with RS-232 Printer, Alcohol Breath Tester Road Test and Breath Alcohol Analyzer.

Breath Alcohol Tester

Alcohol Breath Tester  
Road Test

Alcohol Breath Analyzer  
with Printer

Alcohol Breath Tester with  
RS-232 Printer

## DIFFERENTIAL PRESSURE MANO METERS

Our differential pressure meters used as handheld digital devices. These differential pressure meters are excellent for measuring differential pressures of non explosive gases and liquids in the industrial sector, in medical engineering and meteorology.

IR Thermometer Probe  
Lutron

Digital Flux Meters

Laser Fiber Optical Meter

Torque Meter

# Factsheet

Year of Establishment	:	1975
Nature of Business	:	Manufacturer, Exporter, Supplier, Distributor, Wholesaler, Service Provider, Importer
Total Number of Employees	:	26 to 50 People
Standards & Quality Certifications :	Standards & Quality Certifications SSI Registration No - (18/04/10660/PMT/SSI)	
Primary Competitive Advantage	:	Large Product Line      Experienced R & D Department  Large Production Capacity
Contract Manufacturing	:	OEM Service Offered
